

**WEST MIDLANDS POLICE TARGET RIFLE CLUB**  
**23rd ANNUAL OPEN SHOOTING COMPETITION**

**1300 HRS Thursday 3rd APRIL 2014**

The West Midlands Police open shooting competition will be held at Bisley camp Brookwood, Surrey, on the above date. The West Mercia police open shoot will be held at the same venue the following day at 0900 hrs Friday 4<sup>th</sup> April. **Both shoots will be scored out of 300 500 and 600 yds with two sighters and 10 to count. The F class shoot will be concurrent.**

The L&M v PSUK match to be held on Saturday 5<sup>th</sup> and Sunday 6<sup>th</sup> April. This will consist of 2 x15 at 900 yds pm Saturday. 2x10 at 900 and 1000 am Sunday morning and 2x15 at 500 in the afternoon pm.

**I ask that as many members as possible attend the L&M match and stay for the weeking. Could you let John Chapman know ASAP if your intend to shoot at the L&M shoot.**

Each shooter should be in possession of a certification card proving that the rifle has been correctly zeroed. It is strongly suggested that persons who have no such certification should arrange to zero their rifles on Friday morning prior to the start of the shoot. Only a NRA RCO who has completed the high muzzle energy course is able to do this for F class rifles exceeding 4500 J. **No certificate no shoot.**

**Paid markers are provided and so no butt duty will be necessary.**

Competition will be 2 & 10 shots to count at 300 yds 500 yds 600 yds to decide the **Overall aggregate winner.** (trophy) for both shoots

**Team competition.** Teams of three from each force (two if we need to due to low numbers) ( trophy).

**F Class** Any rifle and any ammunition (NRA bullet weight applies) (trophy)  
PLEASE NOT THAT UNLESS THE F CLASS MEMBER HAS A CERTIFICATION CARD TO ALLOW THAT SHOOTER TO USE HIGH MUZZEL ENERGY ROUNDS GREATER THAN 4500 J, HE WILL NOT BE ALLOWED TO SHOOT THAT AMMUNITION.

**Tyro** (trophy)

**Veteran** (trophy)

**NRA rules apply**

Sighters are convertible.

The normal competition for A class and B class will not be included this year due to cost.

Any ammunition is allowed either 7.62 or 5.56 bullet weight not to exceed 155 gr for target rifle . (home loads are permitted NRA rule 150 applies)

Refreshments not provided in entry fee

Accommodation is provided at the L & M club for an extra charge. Team captains should make arrangements regarding accommodation for their own team members.
